## LET IT GO

SUNDAYS AT WEST SIDE  
MARCH 15 - APRIL 5

# STUDENT SURVIVAL GUIDE

What a crazy time! While we may not be able to be in the same room for a while, **we are definitely still TOGETHER!** Difficult times like this are often when the church and God's people grow the most.

We've put together this guide to help you connect with God, and His church, over the next few weeks.

- **Set aside some time each day** to spend time with God. We've included some simple guides to prayer and worship in this booklet.
- **Connect online with a group each week.** Your leader will be in touch with a way to meet up online. Not connected with a group? Let us know. We'd love to help you connect to one.
- **Join us each Sunday for church online.** Invest in this time and take notes each week in this booklet. We'll be a part of TryChurchOnline.com at 8:45, 10:10 & 11:30. If you can, jump into the chat and say hi!

We'd love to help you make the most of this time. Let us know if you've got questions or there is any way we can help. We're praying for you!

The West Side Student Ministry Team

Often we view worship as a gathering at our church building. That is one way that we show God that He is worthy of our praise but that is far from the only way that we can worship. In this season, challenge yourself to worship in ways you might not normally.

**Pray** - Spend time meeting with Jesus, making contact with him through prayer. Try the “TACO” method from our prayer guide.

**Read Scripture** - Spend time in God’s word. Try a Bible reading plan from [Bible.com/reading-plans](https://www.bible.com/reading-plans). Even better, do a plan with a friend or your group.

**Listen** - Use God’s word, prayer, and resting in silence to allow yourself to focus & listen to God. What might God be wanting to say to you? Try writing one thing that stands out each day.

**Serve** - How can you make an impact, even now? Worship God through loving and serving others. Check our instagram regularly for more ideas.

**Music** - We don’t have to be together, or even sing out loud, to worship God through music. Follow us on Spotify (WSCCstudents) for worship playlists.

**Confess** - Read Psalm 51 and pray through it. True worship includes confessing where we’ve been and showing gratitude to Jesus who paid all our debt.

Have other ideas? We’d love to hear them. Contact us (texting/Instagram info on back cover) or post using #FearlessStudents.
