

WEEK 4: WHEEL OF UNFORTUNATE

INTRO: In order to be courageous, you have to do something that is beyond your comfort zone. Every person referenced in the Bible had to be courageous in some way. Living for God isn't always easy, but with His help we can do anything!

BOTTOM LINE: WE CAN BE **BOLD** BECAUSE GOD GIVES US COURAGE.

STEP 1 – WHAT TO CREATE

SUPPLIES: Download the app “Tiny Decisions”, Bean Boozled Beans

WHAT TO DO: Your family is going to make your very own Wheel of Unfortunate! This is a spinning wheel filled with wacky challenges. We have already provided you with some Bean Boozled beans to get you going. Your family gets to come up with the rest of the challenges; just make sure they are going to take some courage to complete. *(Images of directions available on next page)*

OPEN THE TINY DECISIONS APP *(Images on next page correspond with numbers below)*

1. Click on the menu button in the top right corner
2. Click “Create New Decision”
3. Enter in your own **BOLD** title and whatever challenges your family comes up with. Don't forget to add “Eat a Bean Boozled bean” as one of the options. Once you have completed your list, click the checkmark in the top right corner.
4. Decide who gets to go first. The first player then clicks the middle button to spin the wheel.
5. Complete whatever challenge you land on! No backing out or re-spinning. Have courage and fun!

STEP 2 – DISCUSSION

READ: What was the wackiest or hardest challenge on your Wheel of Unfortunate? Whatever it was, I'm sure Joshua would have much rather chosen that than what he was facing.

In Joshua 1:1-11, God tells Joshua that he will be the new leader of the nation of Israel. They had been wandering the desert for decades and were right on the cusp of making it to the promised land. Joshua faced armies, giants, rivers, hunger, lack of shelter, and difficulty upon difficulty. Now he would be the one to lead an entire nation forward.

God knew that Joshua would need a lot of courage to take on these challenges. In Joshua 1:9, God says to him, “This is my command – Be strong and courageous! Do not be afraid or discouraged. For the Lord your God is with you wherever you go.”

God *commanded* Joshua to have courage. God knew that these challenges were too important to back down from and that, despite any fears he had, Joshua was the right man for the job. God would be with him wherever he was, helping him through it and giving him courage.

DISCUSSION: Have each person in your family think of one thing they need courage for.

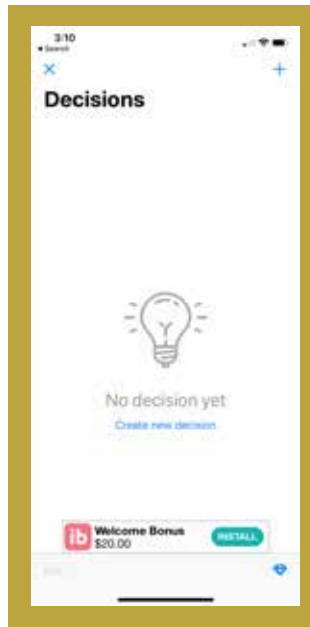

- How does it make you feel knowing that God is with you wherever you go, cheering you on and giving your courage?
- How does knowing this help you to be **BOLD** for Christ?
